

Diagnosing the Health of Your Business Workshop

Understanding your business financial statements is crucial to improving your business operations.

Knowing where to look for financial leaks and monitoring them, inform and allow for making shifts that will make business more efficient and profitable. How to spot leaks will be covered in the upcoming workshops

This workshop will be conducted by Mr. Brendan Guastella, who is the owner of Soundview Business Consulting (www.soundviewfirm.com), a Brooklyn based firm that specializes in assisting entrepreneurs, start-ups, and other small businesses in the New York metropolitan area.
